

Identity Proofing (IDP) & EPCS Activation

Spring 2019

Your clinician is initialized for the Identity Proofing Process.

Upon logging into our application, they will be prompted to begin the workflow.

Identity Proofing for Controlled Substances

Identity proofing based on certain financial records is required by the DEA for your continued use of this service. DoseSpot contracts with agencies such as Experian to complete the identification process. In some cases, the information you provide may not match the information available to Experian in the electronic records used for verification. If your identity could not be verified, please contact the Experian Help Desk at 800 831 5614.

I hereby (i) certify that the information provided is my personal and financial information and that it is true and correct, and (ii) authorize DoseSpot to collect, access, receive and transmit my personal and financial information and related data and information through Experian. I hereby forever release and discharge (and covenant not to sue) DoseSpot and its successors and assigns and each of their respective agents, representatives, directors, officers, employees, shareholders, members and managers from any and all liability, claims, demands, losses or damages arising out of, or in any way related to, such disclosure or the identity proofing process.

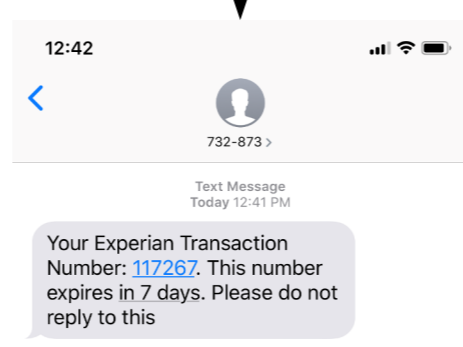

Step 1:
To comply with DEA regulations for the Electronic Prescribing of Controlled Substances, please enter the following information:
